

Legislative Ambassador Program

One thing we know for sure is that our elected officials like to hear from their constituents. You can make a difference in our industry by becoming an **WBA Legislative Ambassador**.

Perhaps you have already established relationships with elected officials. Maybe this is an area of interest for you personally. Whatever your reason, if you're willing to act when needed we would like to hear from you.

By becoming a **Legislative Ambassador**, it allows the WBA to intensify its efforts by developing, maintaining and building personal relationships between bankers and their state federal lawmakers, while creating an effective communications link to ensure that Washington bankers are heard in Olympia and Washington D.C.

As a participant you'll received:

- WBA's Month-in-Review, a monthly e-newsletter highlighting issues at the state and federal level, and information about upcoming events
- Invitations to attend or host legislative meetings
- Critical action alerts

Be a voice for your industry - become an WBA Legislative Ambassador! You'll serve as a personal contact with an elected official when our industry needs action. We'll provide timely alerts when our issues are under discussion or up for a vote, along with suggested talking points and background information. Legislators want to hear from their constituents, and your participation can help us succeed!

Questions? Contact Megan Managan at megan@wabankers.com or call (206) 344-3472.
