

CADP

Recommended Prerequisites

If you are considering registering for the Credit Analyst Development Program, WBA strongly recommends these courses to help prepare you. These classes, offered through the American Bankers Association, provide underlying skills that are necessary for CADP and are available on-line at your convenience.

☐ **General Accounting • \$615**

Topics in analyzing source documents, recording business transactions in a journal and posting entries in a ledger. How to prepare a trial balance, gather adjustment data and complete a worksheet are covered, as well as how to prepare financial statements and post-closing entries.

☐ **Analyzing Financial Statements • \$565**

A practical introduction to financial statement analysis from the perspective of the commercial loan officer. Gain the skills needed to effectively assess the risks related to a customer—current and prospective—and evaluate possible sources of repayment for the loan.

☐ **Loan Structuring, Documentation, Pricing and Problem Loans • \$275**

Guidance on loan structuring and documentation issues in response to the quantitative and qualitative risk analysis. An overview of documents, loan agreements and covenants, as well as negotiating and pricing is included.
