

Thumbprint Signature Program Order Form

All items listed below feature the Thumbprint Signature logo printed in red and black.

- Touch Pads leave no stains or residue and are used to deter check fraud. Thumbprints are used by law enforcement officials in cases where fraud is suspected. The ink pads have a shelf life of 18 months or minimum of 500 impressions.
- Decals should be posted at all entrances and drive-through stations to let people know of your participation in the program and to warn potential criminals that their crimes will not go undetected. The "peel off"
- Teller Window Displays are 6" x 3" "tent-style" displays that read, "For the protection of our customers, Thumbprint Signatures will be obtained from all non-account holders seeking to cash checks."
- Statement Stuffers are 3.5" x 7.5" brochures that explain the mechanics of the program. They are available in English and Spanish. Banks should send them as a public service announcement to account holders and have plenty available for anyone who might have questions about the program. (Available in quantities of 500 per pack.)

The Washington Bankers Association makes no specific warranties regarding the success of this program reducing check fraud, nor can it be held responsible for any problems or complaints encountered. Each industry must review the laws and rules regulating that specific industry to ensure that the program is in compliance with the laws and rules to which that industry is subjected.
