

ELEVATE YOUR BANKING CAREER

EDUCATIONAL OPPORTUNITIES FOR WBA MEMBERS

ENGAGE AND RETAIN YOUR TOP TALENT

City University of Seattle offers a credit alignment program for banking employees that substantially reduces the cost and time to complete the following degrees:

- Bachelor of Arts in Management
- Bachelor of Science in Business Administration
- MBA (with a Specialization in Banking or Graduate Certificate in Banking)

CityU is the first and only university in the state to align the American Bankers Association’s (ABA) professional development training, offered nationwide to banking professionals, into industry-relevant degree programs. Through a unique program, CityU is providing university credit for select courses from the American Bankers Association. The credit alignment program fulfills the University’s mission to support workforce development through education.

AMERICAN BANKERS ASSOCIATION CREDIT MAPPING

20:1

For every twenty contact hours of officially documented training, your employees will earn one undergraduate lower division quarter credit applicable towards an undergraduate degree.

25% of MBA Waived

Leverage ABA training to waive the specialized study emphasis and potentially MBA business core coursework.

Dedicated Advisors

Advisors available for one-on-one meetings to evaluate transcripts and work experience to determine if course credit may be granted, reducing degree costs and time to completion.

INVESTING IN YOUR STRONGEST ASSET

ABA’s extensive suite of online training is an interactive and flexible format that responds to the industry’s changing landscape. Take these existing tools and partner with a university that is invested in supporting your biggest asset – your employees.

• EMPLOYEE DEVELOPMENT

Employees gain new knowledge and skills to grow and move up into leadership roles.

• FLEXIBLE EDUCATION

Evening, weekend, and online courses fit employee schedules and provide a work/school balance.

• APPLIED LEARNING

CityU faculty are also practitioners with real-world experience.

• PRIOR LEARNING

Your employees can apply real-world skills and prior coursework toward certificates and degrees.
